Principal’s Report

Pilgrimages have been embarked on for thousands of years with one of the most well-known being the 800km Camino de Santiago walk in Spain. Pilgrimages are not a holiday but a ritual journey where challenges are faced. It is a time where insights occur and healing takes place. As Macrina Wiederkehr states in Behold Your Life page 11 “On return from the pilgrimage, life is seen with different eyes. Nothing will ever be quite the same again.”

This was certainly the case for the students and staff who walked the Camino de Merced covering 145km from the Pro Cathedral on Victoria Avenue to New Norcia. They followed the steps of the Spanish monk Dom Rosendo Salvado, who established the Benedictine order’s New Norcia mission in 1847. This is the second year that the pilgrimage has taken place. It was a time of personal challenge with walkers covering up to 29 kilometres on some days and gaining some blisters at the same time. Every participant felt a great sense of achievement at the end and learned so much about themselves. They were welcomed to New Norcia by the monks, family members and the rest of Year 12.

The Year 12 Retreat began after the arrival of the pilgrims. For students it was an opportunity to learn more about themselves and their relationship with God. On the first evening one of the monks spoke about the Benedictine community and the pattern of their daily lives. It was a challenge for students to hear that for the monks most of the day was spent in silence or speaking only on a needs basis. This is something quite unfamiliar to our students! I thank all staff who contributed to the Camino de Merced and the retreat.

At this stage of the year our students are engaged in sitting examinations or receiving results on their recent performance in examinations. It is a time where students focus on what progress they have made and teachers plan what needs to be done to ensure further development occurs. Not every student achieves an ‘A’ but what they are challenged to do is to work to achieve their personal best. One of our Mercy values is excellence and it is what all students should aspire to. As students reflect on their examination results and plan how to approach their studies for the rest of the year it is

Insight from Catherine McAuley:
If we are humble and sincere, God will finish in us the work He has begun. He never refuses His grace to those who ask it.

**Pick-Up/Drop-Off**

Parents are asked not to drive onto the premises to drop off students before and after school. Please do not block entrances to the campus or drive onto the driveway to drop off your daughter. Reversing out of the driveway is extremely dangerous. We have experienced a couple of near misses of casualties, it is dangerous for students as well as for staff. Perth City Council will be patrolling the area to ensure the safety of our students and staff.

Pastoral Care News

Year 9/10 Community
Year 9 - Mrs Bernadette Dell

We have nearly reached the end of our Ballroom Dancing program with the much anticipated Social next week. The girls have received reminders about the standard of behaviour we expect and about the dress code. As the girls have conducted themselves so well during the lessons, I do not anticipate having any problems on the night and look forward to your daughters and her teachers having a joy-filled event.

Please review the instructions, elsewhere in this Newsletter, about caring for personal belongings, including uniform items, and discuss them with your daughter. It is unfortunate that we have to be so cautious about the security of our belongings but learning to be vigilant about security is a good life lesson for coping outside the school community, where the likelihood of theft or loss is much higher.

There have been too many items lost this year and girls need to make sure that everything is either with them in their class or secured in their lockers. Unattended items provide an opportunity for dishonest people to remove them, causing distress and inconvenience to the owner.

Year 10 - Miss Nilar Nyunt

It has been a busy couple of weeks for the girls. Various subject teachers and Heads of Learning Areas have spoken to the girls over the last couple of weeks to provide them with useful information in regards to what pathways are available to them next year. The girls should now hopefully be in a better position for their selections. I remind parents that when discussing subject selections with your daughters all parties are realistic in what courses and pathways are best suited to individual abilities and needs.

Mrs Alach organised for the girls to spend a day at Curtin University taking part in a psychology lecture and various activities and challenges. They were fortunate to end the day with a Q&A session with some Curtin student ambassadors (including ex Mercedes student Senaida D’Souza) who gave them insight into the transition from high school to university as well as balancing workloads with their everyday lives.

The girls have almost made it through their first semester exams and are to be commended on their focus and dedication to their studies.

Semester One Reports

Reports will be available through SEQTA from 3.30pm on Friday 1st July (the last day of Term Two and the day of the Frog Jog). We ask you check your access to SEQTA Engage to ensure you are able to see the reports once they are processed. If
you are unsure of your access information, please contact Mercedes Helpdesk at helpdesk@mercedes.wa.edu.au and request a password reset. To access SEQTA Engage, go to the Mercedes College website www.mercedes.wa.edu.au and click on the SEQTA Engage link at the bottom left hand corner.

Course Counselling – Monday 18 July, 2016
Year 10 students and parents will participate in the Course Counselling day to be held on Monday 18 July (pupil free day). As passwords for Parent Teacher Online bookings will be generated by email, it is important to let the office know if you have changed your email address in recent weeks. All communication about Course Counselling and PTO will be sent by email, not post. We ask you ensure all email contact details are up to date. We ask you contact our Receptionist on 9323 1323 to inform us of your current email address. If you do not have an email address, please contact the Administration Assistant Angela Ngaata on 9323 1323 to be provided with your PTO login details.

If it is anticipated you will not be able to attend on this day, please contact Liana Strutt, Deputy Principal, Academic Services at lstrutt@mercedes.wa.edu.au or phone 9323 1379 to organise an alternate appointment before Friday 29 July.

Triangular Meetings Term 3
Follow up Triangular Meetings will be held over two dates: Wednesday 20 July and Wednesday 27 July from 3.00pm – 7.45pm. Details for PTO bookings will be emailed after reports are released on Friday 1 July.

English - Mrs Catherine O’Toole, HOLA
Last week was an exciting one for English students in Years 9 and 10 when they were treated to a lively, entertaining performance of an abridged version of Romeo and Juliet by the Bell Shakespeare group, Actors at Work. The girls laughed and sighed during the performance, being suitably moved by Shakespeare’s language and the animated delivery of his lines. This experience is invaluable for Year 9 students who will soon study Romeo and Juliet in depth while Year 10 classes study another great Shakespearean tragedy, Macbeth. All students spoke warmly of the experience and it was great to see some students turn up during recess to ask the performers some technical questions about the acting process. The English Department greatly appreciates parental support for these educational experiences that enhance student understanding of great literature.

Importance of Reading
A rather concerning trend which the English Department has noticed of late is the number of students who are not reading the novels set for class study. These students rely on general points picked up in class discussion and study guides on the internet. This often becomes very apparent when students complete assessments that convey that they have only a superficial engagement with their set texts. I ask that parents support the English department in their endeavours to improve performance by monitoring reading habits at home. All students should have read their set texts in full, well before they are studied in class. Many students, particularly in Year 10, where they are selecting subjects for senior school, express a desire to improve performance, yet the very necessary step of reading widely and often is frequently undervalued.

Upcoming Curtin Conference for ATAR English and Literature students
All Year 12 ATAR English and Literature students will attend the Curtin Conference on June 30. Students will be responsible for making their own way to and from the university, where they will meet their English teachers. If your daughter is absent on the day, we ask that you contact Student Services as early as possible. Students who are absent, will be provided with a professionally bound book of notes from the various lectures. If your daughter has not returned her permission slip, could you please ensure that she does so as soon as possible? Should she have lost the letter, you may download a copy from the English portal in Seqta.

Interactive Presentations for Year 12 Non-ATAR English students
While the ATAR students are at Curtin university, non-ATAR students will be participating in interactive presentations that will assist them to prepare for the challenges of life after graduation. We will have guest speakers who will provide information and examples to highlight significant matters such as rights and responsibilities at work, and how to access assistance when something is not reasonable, as well as the importance of first impressions and interacting positively with senior staff in the work place. This promises to be a lively and rewarding day for all our non-ATAR students. Students will need to return their permission slip if they wish to leave the campus at lunch time.

Sport - Mr Greg Smith HOLA, Health, Physical Education
Associated Catholic Colleges (ACC) Cross Country
Students selected in the Cross Country Team competed in the ACC Cross Country Carnival on Thursday 2 June, at Perry Lakes, against 1557 runners from 60 schools. Lead by their team captain, Eva Mallet, and vice-captain, Monica Buckley, the students from Mercedes College performed very well over a 3km course. Whilst it was a team effort, individuals who performed very well on the day and finished in the top 100 included:

It proved to be a very enjoyable and successful event for Mercedes College, as the combined effort of all the runners resulted in the College finishing 14th overall. The effort of each team member was outstanding and just reward for the commitment shown at training over the last six weeks. Congratulations to all the Cross Country Team members on an excellent result.

The results of all competitors can be accessed on either the ACC website www.accsport.asn.au or the BlueChip site http://www.bluechipresults.com.au

Inter-House Athletics Carnival
The Inter-House Athletics Carnival will be held on Thursday 23 June at WA Athletics Stadium, Stephenson Avenue, Mt Claremont. The first event is scheduled to start at 9.45am and the Carnival will conclude at 2.30pm.

On the Inter-House Carnival day students are to wear their House shirt, as part of their sports uniform, to school and to bring their sports bag. Please ensure that all items are clearly labelled. Students will be transported to and from the WA Athletics Stadium on hired buses in their respective House groups.

As there will be no canteen facilities on the day at Mercedes College and there is no student access to the Stadium kiosk, students will need to bring their own lunch, some snack food and drink bottle. The Kiosk will be available to parents and will be open from 10.00am – 2.00pm on the upper level of the stadium.

Parents are welcomed to attend and support on the day. If parents intend on taking their daughter home from the Stadium they will need to provide a note addressed to their daughter's homeroom teacher by Tuesday 21 June. Students who are being picked up from the Stadium must be collected from their House area, in the Athletics Stadium.

The program for the day can be viewed HERE.

Music - Ms Claire Glendinning, Director of Music

Trinity Senior School Music Night
Wind Orchestra, String Orchestra, Vocal Ensemble and Select Choir will be performing at Trinity’s Senior School music night on Friday 24 June. Girls are required to be there by 7.30 at the latest – however Strings and Vocal Ensemble should arrive by 7pm. The performance should conclude by 9.45pm and entry is by gold coin donation.

Farewell Concerts for Music Tour
Students, family members and staff are invited to the two farewell concerts before the Select Choir and Trinity Chorale depart for Ireland and the UK on 29 June.

There will be a concert held in the Chapel on Monday afternoon at 3.30pm, celebrating 170 years of education at Victoria Square. We will be focusing on repertoire prepared by the girls, as well as music celebrating our Mercy Heritage.

Our final performance will be the same evening, starting at 6pm in the Braham Auditorium at Trinity College. This performance will feature all of the groups on tour, the Select Choir, Trinity Chorale and the combined Chorale. We will be performing repertoire for the Festival in Ireland, as well as featuring the music ensembles travelling with us. Both performances are free of charge and do not require a ticket. We would love to see you there before we leave!
Diary Dates
Monday 20 June: Music Photos for Mercedes/Trinity combined ensembles. Girls to meet at the bus as per the schedule emailed home. Pick up from Trinity College.
Friday 24 June: Trinity Senior School Music Night - Wind Orchestra, String Orchestra, Select Choir & Chorale
Monday 27 June: Farewell Concerts for Music Tour - 3.30pm at Mercedes College Chapel, 6pm at Trinity College

Library - Ms Joanna Kagi, HoLA
Remember that the library is open Monday, Tuesday and Thursday from 7:30 am to 4:30 pm. There are also subject specialist teachers available to help with homework after school on these three days. On Wednesdays and Fridays we open at 7:30 am and close at 4 pm. Many students make use of their breaks at morning tea, lunchtime and before and after school to research, print and compile schoolwork, and relax in the warm, comfortable library.

We have a steady stream of new fiction books constantly hitting our shelves, so please come in and choose books for the end of term and the up and coming July holidays. Also don’t forget about the large collection of e-books available on Wheelers E-platform for 2 week loan periods. Come and ask one of our friendly staff for guidance if you haven’t signed up yet.

And remember “The more that you read, the more things you will know. The more you learn, the more places you’ll go.” — Dr. Seuss

Inclusive Education - Mrs Julie Wilson
On Friday 10 June, 14 students from Inclusive Education attended the ACC Indoor Soccer Round Robin matches at Lords Indoor Sports Centre in Subiaco. There were a total of six schools in attendance. This event provided the students with the opportunity to express both their sporting prowess and social skills. It was very pleasing to note the comradery amongst the Mercedes girls and the good sportsmanship displayed by all teams participating. The appointed captains, Reese and Caidee, worked hard to lead their teams and all students showed resilience and determination on the day. Events such as these allow individual abilities to shine and the girls should be very proud of their attitude and efforts.

Netball WA Clinic - Ms Rebecca Lumsden
A number of students have participated in netball training each Tuesday after school under the supervision of Netball WA. Some of the girls participated in the Smarter Than Smoking Netball Championships on Sunday 5 June 2016. During each session, the students have improved in not only their netball skills but also their teamwork skills. They should be proud of all the hard work they have put in to these sessions.

Senior Bookclub - Mr Edward Slotwinski
On Thursday, 9 June a group of six girls (Isabelle Edgeloe 10.2, Isabella Skinner 10.2, Ella Ross 10.2, Hannah Skinner 10.5, Anson Mahindra 11.2 and Antonina Greenshields 11.4) from the Senior Book Club, some of whom are also library helpers, attended a ‘Meet the Author’ session that was held at the new City of Perth Library in Hay Street. The girls were accompanied by Mrs Kagi, Mrs Marando and Mr Slotwinski. Due to the proximity of the venue, we were able to walk to the Library with Ella Ross doing a very valiant job on her crutches!

The students were very eager to meet Shivaun Plozza and Will Kostakis who are two up and coming young Australian authors who were in Perth to promote their recently published novels: ‘Frankie’ (Shivaun Plozza) and ‘The Sidekicks’ (Will Kostakis). The students have been reading these novels and during the one-hour presentation were able to ask questions of the authors regarding their oeuvre and the process of writing and publishing a book. We learned a great deal about the patience and stamina required in order to have a book published. Both Shivaun Plozza and Will Kostakis were very approachable, entertaining and imparted their love of writing with the girls and the rest of the audience.
A big thank you to the girls for presenting themselves impeccably and representing Mercedes College well via their eloquently delivered questions. Will Kostakis was delighted to learn that he and one of our students, Isabelle Edgeloe, shared the same favourite novel: ‘The Business with Kiffo and the Pitbull’ by Barry Jonsberg. The two formed an instant bond once they realised they shared a love of this book!

The girls came away with an increased awareness of Australian literature, what is involved in writing a novel and even some knowledge on the art of typesetting. I am sure that they will look forward to future publications by these dynamic rising stars of the Australian literary scene. A big thank you to the City of Perth Library as well as Penguin Australia and Boffins for organising this fantastic event in our neighbourhood.

Camino de Merced – Mr Ben Bull, HoLA

On the 2nd of June, 16 Year 12 Students, together with staff, departed on foot from the Pro-Cathedral for New Norcia, over 140kms away. The "Camino de Merced" or Path of Mercy is a pilgrimage experience for year 12 students which is an adaptation of the Camino Salvado, tracing the journey of Bishop Rosendo Salvado, the Benedictine monk who founded New Norcia 170 years ago. The journey to New Norcia takes 7 days to complete and leads into the Year 12 Retreat at New Norcia.

The Camino de Merced, as with any pilgrimage, is designed to be transformational; it is an experience which pilgrims treasure for a lifetime; life changing in its nature. The experience involved walking about 25km per day along the pilgrim trail, which follows the Swan River from Perth, through Guildford, the Swan Valley, Walaynga National Park, Chittering, Julimar State Forest and across the farmlands of Victoria Plains to New Norcia. Each day saw the pilgrims develop spiritually with prayers, liturgies or reflections which help to bring meaning and focus to their journey.

One of the great moments of the Pilgrimage was the pilgrims’ arrival into New Norcia, with all their classmates, family and friends waiting, to the sound of cheering and the bells of the Abbey Church. The arrival was followed by a welcoming ceremony, conducted by Benedictine monk, Dom Chris, who read from the Rule of St Benedict on hospitality and welcoming of travelers, and washed the feet of two pilgrims.

For the pilgrims, there was a great sense of achievement as they overcame the physical and mental obstacles they faced along the way. A sense of determination helped to numb the pain of blisters, sore feet and aching legs, as with each step they got closer to New Norcia.

As the pilgrims shared their stories from Camino with their peers on retreat, it was wonderful to see their words inspiring others - a true embodiment of the spirit of Camino. It is true when they say, that to walk the Camino, is just the beginning.
Sacramental Program - Sr Breda O’Reilly
Sr Breda O’Reilly is the Pastoral Minister at Mercedes College. Part of her role is to offer the Sacramental Program to any student or families who would like to be prepared for the Sacraments of Baptism, Confirmation, First Communion or First Reconciliation. She works directly with the family and Parish as part of the preparation. If you are interested please contact Breda on boreilly@mercedes.wa.edu.au.

Year 9 Politics and Law Court Visits – Mr Tim Poga, HoLA
All Year 9 Social Sciences classes ventured off campus this week and down a very cold and gusty St George’s Terrace to the Francis Burt Law Education Centre and Museum. With the focus of the Politics and Law topic shifting from elections to the court hierarchy, the students were given the chance to participate in a scripted trial and then observe a real life District Court Criminal trial matter in action. This extended the learning undertaken within the classes to a higher level, engaged the students in a way not possible in the classroom and provoked a range of questions from the students about our legal system. Many thanks to the wonderful Mrs Davis who coordinated the excursions and to all the staff who supervised.

Wellbeing

Tips for supporting your Teenager
Good communication is the key to any relationship, and that holds true for parents and their children. Check out these great tips for improving your communication with your teenager:

Vulnerability – the birthplace of happiness
When things don’t go right in life, many of us try to minimise, avoid completely, and when everything else fails, deny that we have been knocked down. But, everybody gets knocked down at times. Learning to embrace vulnerability can provide greater happiness in life; something for us to consider teaching and role-modelling with our own children.

Gymnastics
Cleo Thornett represented Western Australia at the Australian National Gymnastics Championships where she won two silver medals. One for a team event and the other in the International Junior competition for Double Mini Trampoline. Cleo has also been selected to attend the Team Future Advance Camp to be held at the AIS. This is a great honour as only 12 people Australia wide have been chosen to attend. Congratulations Cleo.
Lacrosse
Congratulations to Libby Blair (10.1) who competed in the Under 18 Australian Lacrosse Championships with the WA girls team, claiming the title of National Champions. Libby has also been selected to play in the Australian All Stars team. Congratulations and good luck Libby.

Year 12 Retreat
Thank you to Agatha Manel and Frank for helping with the packing of the morning tea for all the Year 12 students and staff before they headed to New Norcia.

Father & Daughter Camp
On Friday 10 June after school, approximately 24 dads and 27 daughters headed off to the annual father/daughter camp. This year the camp was held at Manjadel camp near Byford. The weather held out for all who attended and the camp was enjoyed by all who attended. Thank you to Stephen Milford & Kim Harris for all their help with pulling the camp together and of course their silent helper Jason Holmes. Thanks also to Brendan Parker who worked closely with Stephen and Kim to ensure the camp was a success. The dads are looking forward to the next camp in 2017!

Career Mentors Breakfast
On Thursday 16 June a number of Year 12 students sat down to a delicious breakfast with a number of ex students in a variety of professions to discuss their professional field of work. However the breakfast could not have been a success without the help from a number of parents who came in to help. Thank you to Kelly Volk, Rushani Fernando, Rita Mola, Barbara Hughes and Adrian Hayward for all their help with setup and hosting this year’s Career Mentors breakfast.
