Camino Walk
Year 9 Ballroom Dancing Lessons
3.30-4.30pm
Midi/Young Mercies 3.30-4.30pm

Principal’s Report

Dear Parents

Our recent Triangular Meetings and Year 10 2017 Course Information Evening were very well attended by parents and reinforced the importance of home and school working together to support the education and care of students. Parents also spoke positively about the information they received through SEQTA. This allowed them to be better informed and assisted with the questions they wanted to pursue at the Triangular Meetings. It also means that issues can be dealt with at a point of need rather than always waiting until an occasion such as a triangular Meeting occurs. Monitoring of academic progress is ongoing through SEQTA.

The Year 10 2017 Course Information Evening was also popular, with students and their parents keen to gain guidance for the final two years of education at Mercedes. Mrs Strutt and Mrs Alach gave an overview of the pathways on offer, stressing that no pathway is better than another it comes down to what a student is passionate about as a career and where their strengths reside. We spend much of our lives in employment and it is vital to choose an area that inspires so that it is a vocation rather than work.

Thanks to the Advisory Council and those parents who were randomly selected to complete the School Climate Survey. It is an opportunity to gain further insight into the strengths of the College and areas that can be improved. Students and staff also had an opportunity to contribute to this data. Results will be available in Term 3 and will inform our “Future Plan”. Feedback will be provided through the Newsletter once analysis of the data takes place.

The whole school photograph was taken on Tuesday of this week. It is a special photograph given that it was taken in the 170th year of the College and I’m sure many families will treasure this significant memento of their daughters’ time at Mercedes. Every student and staff member received a badge commemorating our 170th Anniversary and wore it in the photograph to symbolise unity and the pride we have being part of the College community.

Next week the Year 11 and 12 Examinations begin. I wish our students every

Insight from Catherine McAuley:
“It is for God we serve the poor, not for thanks.”

Year 11 and 12 Students after winning the inaugural Creative Edge Problem Solving Challenge
success with their examinations and acknowledge the dedication of our teaching staff who have worked conscientiously to prepare students for this event.

Best wishes

Mrs Kerrie Fraser, Principal

**P&F Guest Speaker, Body Confident Children & Teens**

**Monday 23 May / 6pm / Mercedes College Staffroom**

Parents are invited to join us for an interactive presentation that aims to equip you with the knowledge, information and tips to help you better understand and promote positive body image in the home.

To register for the free event please click [HERE](#).
Year 7/8 Community
Year 8 - Mrs Alicia Sharpe

Term 2 has begun at a fast pace and already the girls are busy completing their academic studies. The transition to the winter uniform is now complete and I thank the Year 8 students for their impeccable grooming that I have observed over the past two weeks. Please ensure that over the next few months your daughter’s uniform is kept clean, neat and in good repair. We aim to uphold the value of Integrity and encourage them to wear their uniform with pride for the College. On this note, can I please also stress that the full sports uniform is NOT to be worn to and from school unless they have been granted special permission for that day. Should they have PE during the day, they are to get changed here at school.

Year 9/10 Community
Year 9 - Mrs Bernadette Dell

Ballroom dancing lessons continue to be a source a great excitement for many of the girls but many teachers and the dancing instructors have commented on the very high standard of behaviour and cooperation from the students of both Colleges. This is very pleasing to hear and we hope it will continue. Most students are wearing their winter uniforms with pride but a few girls have received notes in their diaries about aspects of their uniform that need attention. We appreciate parental support in addressing these issues in a prompt manner.

There have been some incidents of students forgetting that the use of ICT within the College is restricted to educational purposes. No student should be using iPads except when instructed to do so by her teacher and at no time should these devices be used to film or photograph any person without his or her permission. Devices are not to used at break times, when students should be interacting with peers.

Every girl signed an agreement to use technology in a responsible manner so we expect that this agreement will be honoured. Misuse of devices will have consequences.

Year 10 - Miss Nilar Nyunt

Thank you to everyone who attended the Parent Information Evening. It was wonderful to see the active involvement of the families and the support your daughters have as they select the right pathway for their future. The evening was a great opportunity for families to the receive the latest information on course requirements and the pathway options in the lead up to the subject selection day on Monday 18 July. Last Friday’s visit to the Careers Expo provided the girls with an opportunity to speak to representatives from universities, TAFES and other industry professionals. We have received such positive comments from organizers that commend the girls on their manners and behaviour. Thank you to Mrs Cheryl Alach for facilitating this excursion and to the homeroom teachers for all their support in assisting with getting the girls down to the Perth Convention and Exhibition Centre and back. I hope the girls are now inspired to achieve all that they can and continue to work hard towards their upcoming exams in week 8.

I would also like to acknowledge Cleo Thornett who has been selected to represent WA in the upcoming Australian National Gymnastics Championships. This is an outstanding achievement and on behalf of the College, I wish you all the best.

Year 11/12 Community
Year 12 - Mrs Hannah Lalor

The Year 12s started this term with an interactive presentation from Elevate Education on how to prepare themselves for exams. This was received very well by students and great timing to get them focused and back to their studies after a relaxing break.

Mrs Alach organised Curtin University to come out and speak to the girls about possible courses they could look into, but also to get an insight into how different university is to high school. We were lucky enough to have an ex-student, Senaida D’Souza, come as one of the three Curtin Ambassadors, who was able to elaborate on her experience leaving Mercedes College and transitioning to University.

The exam break starts on Monday 23rd May and Finishes Friday 3rd May. All students, other than those going on the Camino Walk must attend school on Tuesday 7th June.

Retreat will follow on Wednesday 8th June as a time to reflect on their secondary school journey. Students must be at school by 8.20am to catch buses up to New Norcia. They will return by 3.30pm on Friday 10th June. The information and permission notes have been handed out to the girls and must be returned by this Friday 20th May. A digital version is available via SEQTA.
Academic News - Mrs Liana Strutt, Deputy Principal - Academic Services

Year 10 Semester One Exams
The timetable for Semester One exams has been emailed to students and parents. A link is also available HERE. If your daughter is ill on the day of an exam, please contact Liana Strutt on 0419 605 462 and contact the Student Services Absentee line to ensure the message is received about your daughter. Exams may be rescheduled on a case by case basis.

Year 11 and 12 Semester One Exams
These commence next Monday 23 May and run through to Wednesday 1st June. Students have the timetables and are expected to note carefully the dates and times of the exams. A medical certificate is required if a student is absent through illness. If your daughter is ill on the day of an exam, please contact Liana Strutt on 0419 605 462 and contact the Student Services Absentee line to ensure the message is received about your daughter. Exams may be rescheduled on a case by case basis.

Externally Set Tasks for General Courses
Students studying General Courses in Year 12 will be completing the Externally Set Tasks set by the School Curriculum and Standards Authority. Students have been advised as to when these will be completed. It is a mandatory, state wide assessment that must be completed by all General students in each course for completion of that course.

Course Information Evening – Year 11, 2017 (for current Year 10 students)
Many thanks to parents who attended the Year 10 Course Information Evening held last week. It is good to see parents with questions about courses and pathways and we look forward to continuing the discussion about choices in the weeks to come. Course Counselling will occur on Monday 18 July and details will be sent home in coming weeks.

NAPLAN Testing - 10 – 12 May, 2016
Thank you to those parents who supported their daughters during the NAPLAN testing period last week. We had very few absences and all students were reported to have worked well through the process. NAPLAN results will be released in September and sent home by mail at this time.

Online Literacy and Numeracy (OLNA) Test results
Results for the March round of OLNA testing have been made available through the School Curriculum and Standards Authority and will be posted home this week. Please contact my office on 9323 1379 or email lstrutt@mercedes.wa.edu.au should you have any queries.

Mercy Service-Learning: Student Reflection
The Year 11 students have recently completed their Mercy Service-Learning Program. The student reflections give a wonderful insight into the impact of their experience and the learning they take form it. Rose Pethick commented, ‘Helping the community doesn’t have to be big, sometimes the little things help people in more ways than you could ever imagine.’ Here is an extract from Rose’s reflection.

Working at the MercyCare Aged facility had to be one of the most rewarding experiences in my life. This experience opened my eyes to lots of things and it gave me a bit of a wake up call. Before going to my placement at MercyCare I was quite nervous and hesitant to go. I honestly believed this was going to be a very awkward and boring. I was willing to do it to complete my responsibilities but I wasn’t very keen. I can’t believe how wrong I was going into this experience. The staff I was introduced to were amazing and were so bright and bubbly. The first day I was in the dementia ward and I was still finding my feet. I was a bit shy and a little bit uncomfortable. I was asked to give the women hand massages. I was quite taken aback by this because it would mean having to sit down and rub their hands. I sat with a lovely woman who didn’t say a word. She sat and smiled at me and this was something I will never forget. She was so relaxed and such a simple gesture made her day. As I finished she grabbed my hand and smiled at me and I realised that she had made my day too. This reminded me that I could make a difference. It made me feel valued….. When I look back on my time at MercyCare I believe that the way I worked with the men and women reflects the kind of person I really am and the type of life I want to lead.

General News

Habits of Mind Quote
"Adventure is worthwhile in itself." Amelia Earhart

Absences
A reminder to parents regarding notice of absence. If you know your daughter is going to be absent please give as much warning as possible. The preference is for two weeks’ notice. The notice is to be in the form of a signed letter which can be an attachment to an email.

2018 Enrolments
The interview process for Year 7, 2018 enrolment is almost complete. If you have forgotten to enrol your younger daughter, please contact Mrs Julie Lamb on 9323 1340 as soon as possible.
Year 12 Literature–Mrs Catherine O’Toole, HoLA

On Thursday, April 28th a group of Year 12 Literature students attended a performance of The Patriot Game by Tom Murphy at the state theatre. Directed by Ivan Motherway, the play presents the events leading up to and including the 1916 Easter Rising in Dublin and was especially exciting as our own Literature student, Roisin Nash, had one of the lead roles. The play was insightful for its glimpse into Irish history and is invaluable for our study of poetry and drama this year. The director who has been active in a number of dramatic performances, was especially generous as he allowed girls access to his insightful contextual notes on their current text Translations. Overall, the night was very enjoyable and Roisin was definitely the star of the show. She is most appreciative of the support given to her by her peers and teachers who attended.

Social Sciences—Mr Tim Poga HoLA

Ancient Roman iMovie Awards

Last Friday over eighty of the Year 7’s and numerous staff came along at lunchtime to the 2nd Ancient Roman iMovie Awards. This event involves a showing of the top student created iMovies from a first term assessment on Ancient Rome. Our guest judges gave the award for the best film to Aliyah Fedec for her movie ‘Vesuvius’. The top five students were awarded ‘Silver Rabbit’ trophies and all those students who were shortlisted will receive certificates. We hope all those staff and students who came along enjoyed this celebration of the creative talents of the Year 7s.

Year 9 Social Sciences Classes

Malcolm Turnbull’s double dissolution election is providing a great real world learning opportunity for students in Year 9 who are currently studying a Politics and Law topic. How political parties try to influence voter’s choices is a major part of the topic. We encourage parents of Year 9’s to discuss the election with their daughters and to assist them in identifying and collecting examples of election advertising and campaigning. If possible, please also aim to take your daughter with you when you go to vote on election day.

Year 8 Social Sciences

Year 8 students are currently working on an Economics topic and will be required to present a business idea in a style similar to that seen on the TV show ‘The Shark Tank’. We encourage all year 8 parents to watch an episode of the show with their daughter and discuss ideas such as demographics, innovation and competition in the market place as these are concepts we will be covering in upcoming weeks.

Mock Law Trials

Round 2 of the Mock Law Trial Competition saw Mercedes College ‘Excel’ successfully prosecute a case against a very polished CBC Fremantle team. Team ‘Lead’ narrowly lost to Carey Baptist College. The fictitious case revolved around the receiving of stolen goods, namely a set of three very valuable collectable figurines which had disappeared from the owners possession five years earlier. Well done to all the students who played roles on the night.

Creative Edge Problem Solving Challenge – Miss Callie Steven

On Saturday the 7th May six valiant upper school students braved the rain and cold to compete in the inaugural Creative Edge Problem Solving Challenge. Linked to Opti-Minds, this challenge gives years 11 and 12s an opportunity to be creative and solve different problems in a team. There were three challenges that the teams rotated through, requiring different skills. Science, Engineering, Literature, and Social Science skills were all drawn upon to able to solve these challenges effectively. Mercedes College again proved that they have a creative edge, with the team of Lily McDermott, Annabel Haizer, Monica Buckley, Izzy Rossaro, Alison Roach and Vanessa Joe bringing home first place. Well done girls!

Australian Indigenous Mentoring Experience (AIME) - Ms Deborah Humphries

Wednesday 4th May was our first day at AIME for 2016. AIME is an educational program proven to support Indigenous students through high school and into university or employment at the same rate as all Australians. This year the College is excited to have joined the group of schools who meet at the University of Notre Dame for the AIME program throughout the year.

For our first session students from Years Nine and Ten experienced day programs which covered Identity, Respect and Be Better Tomorrow. Over the course of the next three terms, our students will continue to explore these themes alongside the dedicated mentors and listen to many inspirational guest speakers.

In conjunction with the University of Notre Dame and AIME, the College also offers a Wednesday afternoon Tutor Squad to all of our Aboriginal students. This provides students with the valuable opportunity to engage with young, Aboriginal role models, in addition to providing informal cultural bonds and academic assistance.
High School Cup Netball—Mrs Marnie Barrett

On Friday 6th May, 5 teams from Mercedes College participated in the All Schools Cup Netball Carnival, held at Kingsway Netball Centre. It was a pretty bleak day in terms of the weather, with it raining for most of the day. However, the effort on court was the opposite! Out of the 5 teams, 1 in Open (year 11/12), 3 in the Intermediate division (Year 9/10) and 1 in the Lower division (Year 8), we lost only a few games.

The Year 8 Team was coached by Ellen Smith (Ex Student) and won all 5 games. The first Year 9/10 Team was coached by Jess Donovan (our current AFL trainee) winning 4 out of 5 games. The second Year 9/10 Team who Bec Bryant coached, lost 2 out of 3 games and the third Year 9/10 Team was coached by Marnie Barrett and won all 5 games. Felice Crisp (ex AFL trainee) coached the senior team and they won all 5 games.

There were good results all round, with 4 out of 5 teams hopefully making it through to the next round. The next round involves playing against another school either here or their school in the last 2 weeks of June. If they win that game they go through to play in a finals day held at Fremantle Netball Centre in August.

Rotary Leadership Camp - Marelene Slabber and Maddy Alder

During the weekend of the 13th-15th of May we (Maddy Alder and Marelene Slabber) had the privilege to attend the Rypen Rotary Leadership Camp at Point Walter Recreation Reserve in Bicton. Fifty students from the Perth region and country WA along with five international exchange students arrived Friday afternoon at 5:15pm with great anticipation of what the weekend was going to entail. All of us, complete strangers gathered in the hall to engage in a few activities to get to know each other. Over the course of the 32 hours, complete strangers formed very strong bonds of trust, companionship, friendship and loyalty to one another. The program aimed to challenge and develop us emotionally and physically to be better leaders for the future. Inspiration was drawn from the various guest speakers, who addressed issues like:

- The affects of drug and alcohol abuse
- Making life risking choices that can affect your future forever
- Importance of involvement in community service
- How to overcome emotional challenges by means of professional help

We also had to face and conquer our fears by means of physical activities such as high ropes, public speaking, goal setting and application for jobs and preparation for job interviews. Saturday night was concluded with a fun filled Rypen Rave and dinner. This was the perfect conclusion to an amazing day, where really strong friendship started to form. It was incredible how quickly we gained confidence, not only as leaders, but also strong personal attributes were formed. We were really sad when our parents came for the awards ceremony as we realised that an incredible weekend has come to an end. For us, this has been a life changing experience and we would like to thank Mercedes College and Rotary Club Perth for providing us with this opportunity.

Seeds of Justice Gathering - Laura Norris and Hannah Palelei

On the 12th of May 2016, the Mercedes College Seeds of Justice group joined three other Mercy Schools at Aranmore College to discuss issues around slave labour and the recognition of Fair Trade Fortnight. We were lucky enough to hear the presentations about the importance of fair trade from the following advocates: Robert Roberts from Fair Go Trading and
Antonia Taylor the Oxfam State Manager. Fair Trade is the trade between companies in developed countries and producers in developing countries in which fair prices are paid to the producers. Mr. Roberts’ not for profit company is a fair trade organisation that supplies artisan products to small gift shops around Australia. The group was able to see the handiwork of these artisans locally produced in developing countries and available for purchase. Ms. Taylor’s not for profit organisation intercepts between fair trade artisans and consumers of developed countries and provides avenues for sale of their items. Both these guests were promoting Fair Trade Fortnight a nation wide event over social media, sparking advocacy for better and fairer working conditions throughout the world.

Through this learning experience, the Seeds of Justice group, along with the other students involved, discussed fair trade week and our plans for future projects at our respective schools.

The 2015/2016 Seeds of Justice experience has raised awareness in the group to the issue of Human Trafficking and Fair Trade and how buying fair trade products can help marginalised people overcome their captivity. This year long experience has set us on a path to share our new found knowledge with the whole College community and organize a few campaigns in the near future. Shortly we will be selling items to raise awareness with our peers and in particularly the good work done by Mercy International in acting on behalf of the marginalised in this area.

Socks In the City - Christina Then
Poverty Immersion is a social justice program for students at Mercedes to further their understanding about the injustices of homelessness. The Year 11 girls of this years program decided to tackle the issue in a different approach. We were inspired to take part in ’Socks In The City’ which is a program that aims to provided those who are homeless with the comfort of having a pair of fresh new socks for Winter. Homeless people are prone to developing both trench foot and warm water immersion foot and so to eradicate this problem, the Poverty Immersion girls invited students from different age groups at Mercedes to donate a pair of socks. As a result, we received roughly 1,200 socks which will go to the Ruah Community Services and to the Socks in the City appeal ran by Perth’s Homeless healthcare. This was a great outcome and ultimately each pair of socks will be given to a person without warm shelter. Thank you to Belvedere Hosiery in North Coburg Victoria for their generous contribution of 1000 pairs of socks and thank you to Toll IPec couriers (Toll Group) for supporting this appeal with providing freight to transport the 8 boxes of socks over to Mercedes College in Perth.

Mercedes College Alumni
2016 has already brought many events to the Ex-students’ Association. Following many years of research and discussions with our ex-students and Mercedes College, the committee decided to undertake some re-branding. Such changes have involved a change of name from the previous Mercedes Ex-Students’ Association (MESA). In November 2015 the committee voted and we are very excited to introduce our new name: Mercedes College Alumni (MCA).

Along with this name change we are currently in the process of rebranding to represent our diverse group of alumni. When thinking of a new name to call our proud ex-students’ association we wanted to keep Mercedes in the title in order to reflect the name of the school we attended, and also as a way for those in the community to easily recognise the foundation of the alumni.

Mercedes College Alumni will be involved in the celebrations of 170 years of education at Victoria Square. The committee is currently busy planning an event for all ex-students, to be held in October 2016. Please stay tuned for further details.

We are always keen to hear from ex-students and to provide further information about our alumni. We welcome all members at our monthly meetings and encourage you all to follow our Facebook Page in order to keep informed about all alumni events.

We hope you have all had a wonderful start to 2016 and we look forward to continuing to celebrate the history of our College whilst forever supporting and encouraging all ex-students in their endeavours.
Relay for Life – Student Report by Tash Madsen

On Saturday April 30th to Sunday May 1st, 32 Mercedes girls, including myself, participated in Relay For Life. Relay For Life is a charity event hosted every year by the West Australian Cancer Council to raise funds for cancer research. Since the first Relay For Life in 2001, the event has raised over $14 million. We gathered at the WA Athletics Stadium at 11:30am to prepare for the opening ceremony, which involved people dressed in extravagant costumes and loud drums to get us excited and in the mood for what was to come in the next 24 hours. Cancer survivors and their carers also took a lap of honour around the track. They served as motivation and a reminder to us about why we were doing the event; to help fight for a cancer-free future.

Girls took turns walking around the track holding our frog baton (to represent Mercedes). We each had one hour shifts to keep the baton moving as a symbol for life. Overall, Mercedes College completed 225 laps, and raised a total of $4,000 over the 24 hours. The event ran for 24 hours to remind people that cancer is on-going; it never stops. At 8pm the candle-light ceremony began. We decorated white paper bags with the names of people who are fighting cancer or who have passed away. We laced candles inside the bags to symbolise those who have lost their battle with cancer and to show those who are still battling the disease that we will be there to support them every step of the way.

I have been attending Relay For Life every year since I was two years old, and I recommend anyone who hasn’t been to one before to go next year; it is an experience that you will never forget.

Yr 7 ALP Excursion to AQWA - Jessica O’Brien

Earlier this month, 12 nervous year seven ALP students (and two teachers) walked into AQWA and were immediately confronted by a friendly octopus (behind glass!) and shimmering shoals of fish darting around the water. From there, we were treated to a ‘journey’ up the Shipwreck Coast, where we went on the underwater conveyer belt, and stared in wonder as giant stingrays and fearsome sharks swam overhead. We watched a diver feed the fish and stingrays while we ate our own lunches, then went on a tour of the Danger Zone, containing the most dangerous animals from the WA coast, such as the Stonefish, Coneshell, and Lionfish. I think our collective favourite was Mettam’s Touch Pool, a small pool full of non-dangerous creatures that we could really get up close and personal with, touching a starfish, sea cucumbers, sharks and, of course, fish.

At the end of the day, sad to go but relieved to be in one piece, and with freshly minted memories of amazing aquatic adventures, all 12 students and both teachers left the aquarium. Or did they?
P&F Association

P & F Family Fun Bollywood Night
Join us for a Family Fun Night, Bollywood style on Saturday 25 June at 7pm in the Mercedes College Hall! Tables of 8 or 10 are available (including student tables) and the evening will be filled with fun and games including 2x Bingo Game Cards, quiz questions, door prizes and raffle prizes! Our MC for the evening will be Lisa Fernandez (Ex Mercedes student & Channel 9 Presenter of Today Perth). Click HERE to book.

2016/2017 Entertainment Book.
The NEW 2016 | 2017 Perth Entertainment™ Memberships are here and this year it has so much more to offer. Buy your Perth Memberships and enjoy hundreds of valuable up to 50% OFF and 2-for-1 offers. To celebrate these great offers, Entertainment™ is giving you the chance to WIN a trip to Bali valued at over $5,000. To be in the running, buy a 2016 | 2017 Perth Membership before 1 June 2016. Click HERE for more information about the competition. To order your book, please click HERE.

Student News

Karate
Congratulations to Saba Clark who has been chosen as a member of the WA State Karate Team for 2016. Saba will be representing Western Australia at the 2016 National Championships to be held in Melbourne early August.

Tennis
Congratulations to Belinda Jayaprakash, who won the U16 Singles and received runner up in the U16 doubles at the North Beach Tournament. I have attached a couple of photos from the tournament. She has also progressed well at the Perth Open and Hensman Park tournaments and will also participate in the AMTs.

Thank you to Parents

Cooper & Wright House Liturgies - On Thursday 12 May, Cooper and Wright Houses celebrated their first House Liturgy for 2016. We called upon parents from both houses to assist with packing a morning tea to celebrate after the liturgy. We would like to thank the following Cooper mums, Anne Cornish, Karen Manson, Marit Dew and Trish Chapman and from Wright thank you to Rachel Pendal, Jennifer Nichols & Trish Sherry who came in to assist. Your help was very much appreciated.

Noticeboard

Retrospective Exhibition by Noongar artist Bella Kelly - Monday 20 June to the 21 August / 11 - 5pm Monday to Friday and 1 – 5pm on Sunday/ John Curtin Gallery, Bentley. For more information visit http://www.bellakelly.com.au/

Future Footprints Career Expo - Sunday 26 June / 4pm-7pm / UWA Business School, Hackett Drive Crawley. Future Footprints invites students to the Future Footprints Career Expo. Designed for Indigenous secondary students to explore post school education, training and employment opportunities. This is an excellent opportunity for Indigenous students to listen, discover, talk and ask questions about their career interest and opportunities available in a friendly and informal environment. More information available at rforrest@ais.wa.edu.au, 9441 1647, 0408 259 954.

Free Netball Clinic - Come a try a free netball clinic held every Tuesday, beginning 10 May—14 June from 3.30pm—4.30pm at the College. To register for the FREE event, please contact Caitlin Farano on 9380 3731 or email caitlin.farano@netballwa.com.au.
Group Fitness Training - Circuit training incorporates varied functional movements and exercises to build muscle tone and increase cardiovascular fitness. Sessions are led by experienced instructors. Maximise your workouts and try new exercise routines! Sessions are run for kids aged 10-18 years. Tuesday and Thursdays 4:00-4:45pm at the Coady Sports Centre. To enrol in Term 2 classes contact Courtney on 0403 953 317 or email courtney.spanbroek@hotmail.com.
